

SOCIÉTÉ CAMP LIBERTÉ SOCIETY ANNUAL REPORT

JANUARY 2020 — DECEMBER 2020

MESSAGE FROM THE PRESIDENT

A year unlike any other.

As our world rapidly changed in March, Camp Liberté had to follow suit. Realizing that our traditional overnight camps were unlikely to happen safely this year, we looked quickly at different alternatives. In the end, the decision was made to offer a virtual camp this year.

Campers from across the country joined us for a week of online games and activities. The children connected with each other quickly, playing games and sharing stories and many enjoyed sharing the personal/home aspect of their lives with their camp friends.

Over the years, many campers have said that knowing they aren't in it alone, and the sense of belonging that comes from that, is what they loved most about Camp Liberté and this year, was no different.

Next year, we hope to see our campers in person at camp, but if not, we know that we can continue to make dreams come true for these campers, virtually.

CAMP LIBERTÉ WENT VIRTUAL

August 3rd to 8th, Camp Liberté campers came together a little differently this year. Instead of packing their bags and catching a flight, they made their way to their home computer to reconnect with old friends and to make new ones. Throughout the week they were led on fun activities such as a paint night experience, virtual campfire, sun safety talk and lots of fun games.

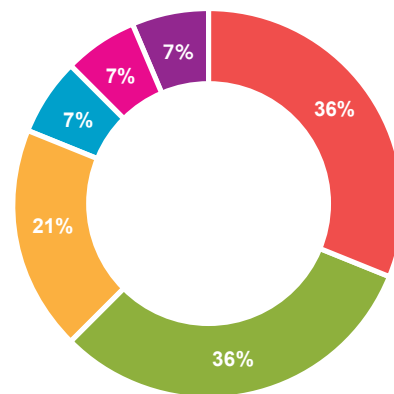

14 campers were split into two smaller groups to ensure it was possible to make connections between the campers and that each child was fully able to participate in the activities.

Campers had been disappointed at missing the overnight camp this year, but were thrilled to have this opportunity. Throughout the week we saw campers' confidence grow, along with their smiles.

As with the overnight camp, the week went by much too quickly and by the end of the week, new friendships were made, laughter was shared, and memories were made. There were just a few less mosquito bites this year.

THANK YOU TO OUR VOLUNTEERS

Camp Liberté extends a heartfelt thank you to all the volunteers who help make our camps so special.

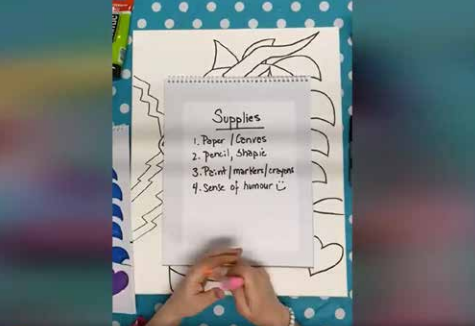

“ We are SO grateful for Camp Libert ! Our son was able to enjoy a normal summer camp experience despite his medical issues, thanks to the staff who went the extra mile in order to understand him and accommodate his needs. Where his condition often seems like it has so many downsides, the opportunity to attend Camp Libert  because of his diagnosis was a rare, but powerful upside. He came home filled with a fresh perspective on his condition and memories to last a lifetime! ”

2019 CAMP LIBERT  PARENTS

“ As a parent, I appreciate the effort that went into making sure everything was organized and safe for all the kids. I had no worries during the week of Camp Liberté that my child was having a great time! We are still hearing stories about camp, friends and counselors months later! What a wonderful experience for everyone! ”

2019 CAMP LIBERTÉ PARENT

“ I loved Camp Liberté!! All the activities we did were really, really fun and the counsellors were so nice! It was great to make so many different friends. ”

2019 CAMP LIBERTÉ CAMPER

“ What this Camp provides children with, is so much more than adventures and raised self-esteem, but it also provides them with an opportunity to grow as human beings and in newfound friendships. ”

A scenic photograph of a sunset over a calm lake. The sky is filled with dramatic, dark clouds, with a bright orange and yellow glow from the setting sun breaking through in the center. The light reflects on the water's surface, creating a shimmering effect. In the background, a dark silhouette of a forest line is visible. On the right side, a portion of a wooden dock or pier is visible, with some foliage hanging over it from the top right corner.
